

## **FISCAL NOTE**

### **HB 2292 - SB 2635**

February 20, 2002

**SUMMARY OF BILL:** Requires the State Board of Education to review the defensive driver education course every two years for inclusion of any improvements.

Present law requires the defensive driver education course to be reviewed every three years.

### **ESTIMATED FISCAL IMPACT:**

#### **MINIMAL**

Presently, the Department of Education revises driver education curriculum in conjunction with the six-year textbook cycle but has the capability to revise and disseminate curriculum changes quickly through the use of electronic media. Assumes minimal impact since this can be handled with existing staff and resources.
